

Incentive Travel

When the world's your oyster

In a shrinking world finding the unusual and memorable is becoming more of a challenge. It gets ever harder to impress your top performers, who have probably "been there, done that" when it comes to incentives. To make them strive for the highest goals you need to offer something they would never be able to experience in their personal lives. Plus make them so determined to win, they pull out all the stops to achieve it.

P&MM's unrivalled knowledge of destinations that work, incredible places to stay and coolest things to do; coupled with our buying power and expertise will ensure that your guests experience the trip of a lifetime. Whatever the audience, we can tailor the reward exactly to appeal to their tastes. If you're looking for something different then anything's possible!

- Breakfast with orang-utans in Borneo
- An elephant safari through Jaipur
- A submarine trip to explore sunken vessels
- Swimming with giant turtles in the South Seas
