

Video Production

Lights, camera, action!

What better way is there to grab the attention of your audience than a short film? At P&MM we create mini-movies for all sorts of occasions, from company showreels and opening videos for conferences, to motivational pieces and post-event handouts. Our creative flair and production expertise will guarantee that you communicate with your audience in the most effective way possible, while our brand specialists ensure that your key messages are clear, concise and effective.

How can we help?

With a wealth of creative talent on offer, as well as the technical know-how, P&MM are able to offer support with any or all of the following:

- Location filming
- Editing
- Soundtracks
- Voice-overs
- Vox-pops
- Animation

How can you use video production?

- Incentive videos - reveal your next incentive destination, build excitement and motivate staff.
- Memory videos - capture an event on film and give lasting memories to those that were there or preview an event for prospective guests.
- Corporate films - product launches, brand films and training videos.
- Presentations - opening videos, vox pops and sting animations.
